# 2024 TDRC Nominated Charities

## The Stanley Beau Foundation

The Stanley Beau Foundation is a charity based in Devon inspired by a very special little boy, Stanley Murphy. Stanley suffered from a rare, life-limiting condition called Tay-Sachs Disease. Stanley sadly died in June 2019 aged just four years old. The charity, founded by Stanley's Mum, supports children with life-limiting illness and their families from a child's diagnosis through illness and beyond.

We will be building Devon's first purpose-built facility offering respite holidays and breaks exclusively to families of seriously ill children and those recently bereaved of their children.

This facility will aim to include a day centre so visits will be available to take part in using the indoor hydro pool, sensory room, gardens and much more.

We believe that no family should have to face the devastating news that their child is seriously ill on their own.

We want to complement existing medical services in the knowledge that sick children and their families need much more than just clinical input to help them through a child's illness.

## Animals In Distress

When the lives of South Devon's pets fall apart, Animals in Distress is here to pick up the pieces. We are a local charity that takes in, cares for and rehomes hundreds of homeless, lost and abandoned cats, dogs, rabbits and guinea pigs every year.

Animals come to our Rescue Centre in Ipplepen for a variety of reasons, including illness, relationship breakdown, financial hardship, straying, cruelty, neglect or abandonment.

**Animals in Distress**

When you adopt from Animals in Distress, you will take home a pet who has been fully assessed by our expert animal welfare staff and our vet.

Every pet at the Rescue Centre is:

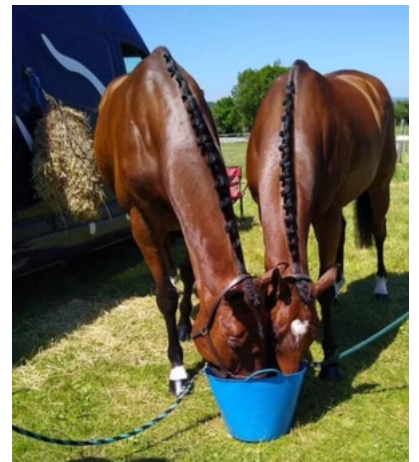

- Neutered, vaccinated and microchipped (where species appropriate)
- Given worming and flea treatments (where species appropriate)
- Examined by a vet and given any necessary treatments
- Given a training plan designed to meet their specific needs (where species appropriate)

## South West Shines Bright: TDRCs Journey to STARS Affiliation

Picture this: a small club with big dreams, nestled in beautiful Devon. That's us, Torbay & District Riding Club, a group of passionate individuals dedicated to promoting our favourite sport. Over the years, the committee have worked tirelessly to gather support and create a membership profile to be proud of.

TDRC celebrated its 50th season in 2022 and the goal in 1972 is the same as it is in 2023: to foster a love of competing horses among the people of the Westcountry. With membership now nearing 100 and competitor count at our shows running into the several hundreds, the future is bright for the club.

Every season we ask our members and followers who they would like us to affiliate with each season, and STARS was right at the top of the list for 2023. The popularity of STARS among our members was apparent so we started the affiliation process and to our delight were selected amongst the chosen 60 clubs.

The season began back on 23rd April and was followed by 4 more point earning shows. The monthly STARS leaderboard was eagerly followed and members relished in the friendly rivalry.

The last show on 17th September came amongst the heaviest rain I think anyone of us have ever competed in, and those that braved it earned their points towards STARS qualification.

We were delighted to publish the final leaderboard days after with 28 members eligible to compete at STARS for the club. From these 28, 10 have taken the opportunity to represent us at Aintree in November. We couldn't be prouder of them, and await all news, results and photographs from their experience there and of course photos of the TDRC STARS hoodies we have provided them with.

The members we are sending to STARS Champion of Champions are:

- Lucia Carruthers and Storm Cloud
- Millie Login and Penlangrug The Democrat
- Jessica Lerwill and Laitehill Pageant
- Sue Smith and NewoakRoc Bay
- Rachel Allansen and Kingswood Brio
- Abbie Warwick and Drakelands Freelanders
- Chloe Wylie and Lansalsons Legend
- Holly Gerring and Orian De Havanna
- Hannah Merson and Uphill Caramac
- Jorja Wright and Miss Maudie

We hope they all have a fantastic experience and look forward to their results and of course our chance to affiliate for STARS in 2024!

Keeping horses fit and active in their later years is highly beneficial for all-round health and well-being. A veteran horse's diet must reflect their energy requirements for maintaining weight and providing fuel for work, whether that be light hacking or competing regularly. Veteran Light is ideal for those that are prone to laminitis or hold their weight well. Veteran Vitality provides extra calories for those that need more energy or struggle to maintain their weight.
